Day 19: Bangkok

Set out on a journey that introduces you to Bangkok, the capital of Thailand. Marvel at ancient monuments, explore local culinary treasures, shop for unique souvenirs, or just soak in the energy of the city — there is a reason Bangkok has always been one of the most popular destinations in Asia. Visit the Jim Thompson House and Museum. This architectural gem, hidden away on a quiet street in the city center, was once the home of the man who took the production of Thai silk onto the international stage before disappearing in Malaysia in 1967. The house features an impressive collection of Southeast Asian art, an open-air café surrounded by peaceful gardens, and a shop where you can purchase fine silk and household items. *Today dinner will be included.*

Day 20: Bangkok

Today, explore some of Bangkok's most famous landmarks. Start with a stroll through the 24-hour flower market and take in the blaze of color and heavenly scents. Take a short tuk-tuk ride to Wat Pho, Bangkok's most extensive temple where you will see the reclining Buddha. No visit to Bangkok would be complete without a visit to the Grand Palace and Wat Phra Kaew - the home of the emerald Buddha. After lunch at a local restaurant, explore the complex network of canals on a typical Thai long-tailed boat. Enjoy picturesque scenes of traditional Thai life, hidden temples, and floating markets. Continue with a stop at Wat Arun, the Temple of Dawn. *Today breakfast and lunch will be included.*

Day 21: Bangkok

Visit the Damnoen Saduak Floating Market. Your paddle boat takes you through a winding array of colors, noises, and vendors, captivating your senses as you glide through water canals. Visit the riverside province of Samut Sakhon, pausing to taste Thai flavors with lunch at a local restaurant. The remainder of your day is at leisure. *Today breakfast and lunch will be included.*

Day 22: Bangkok - Extension Ends

Bid farewell to Asia as you head home with memories and photos to last a lifetime. *Today breakfast will be included.*

Please Note:

The overall activity level of this extension is a level 3. This means walking and standing for longer periods of time (2-3 hours) isn't a big deal for you. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over the course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some longer days balanced with free time. This level is not a fit for travelers that require mobility assistance devices.

Fully-guided extensions are a great way to explore a new destination. Enjoy sightseeing and local experiences led by a Tour Manager or local expert.

We reserve the right to cancel this extension if a minimum of 4 passengers is not met to operate.

Extensions are subject to availability and applicable charges at time of request.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.
